

SUPPORTING THE NEXT GENERATION OF **RIGGING PROFESSIONALS**

WHAT IS ROPES FOR RIGGERS?

The "**Ropes for Riggers**" Scholarship Fund transforms donated scrap wire rope and steel rigging into cash, which is used to fund scholarships for students pursuing careers in trades related to wire rope and rigging.

This initiative supports the next generation of skilled tradespeople who are essential to industries like construction, heavy lifting, and infrastructure development.

WHY SUPPORT?

- **Invest in the Future:** Help young people build rewarding careers in trades critical to industry and infrastructure.
- **Strengthen the Trades Community:** Ensure the next generation of rigging professionals is equipped with the skills needed to excel.
- **Promote Sustainability:** Recycling scrap materials reduces waste while supporting education.

HOW IT WORKS

1. **Donate:** We collect scrap wire rope and damaged rigging from businesses and individuals.
2. **Recycling:** The scrap is recycled, and the proceeds go directly into the scholarship fund.
3. **Students Apply:** Scholarships are awarded to help with training costs.

HOW TO GET INVOLVED

- **Donate Scrap Materials:** Contact us at R4R@vrslltd.ca to schedule a pickup or drop-off.
- **Sponsor a Scholarship:** Contribute directly to the fund.
